## **Who said pampering is only for adults?**

*The Fairway Spa and Chicama Country Spa introduces the Little Princess menu*

Kids' spa parties are all the rage! After all, what young girl doesn't want to feel like a grown woman on a resort vacation getting massages, facials, and pedicures? With this in mind, Guvon Spas is excited to announce the launch of a Little Princess Menu at Chicama Country Spa and The Fairway Spa, which consists of individual spa treats as well as spa pamper party options.

The Little Princess menu ranges from mini manicures and pedicures to massages and facials. All the treatments and products used have been specially put together to create the Perfect Princess Experience.

"We are very excited about this initiative as it creates a space where young girls can be introduced to a healthy lifestyle and beauty regimes, enjoy fun girly time with their friends, as well as some quality time for moms and daughters." adds Belinda Cooper, Group Spa Marketing Manager.

Another exciting option is to host a Kiddies spa pamper party. Chicama Country Spa has put together two spa pamper options ranging from R275.00 to R450.00 per child and includes a kids snack platter. For further details, please see our website [www.chicama.co.za](http://www.chicama.co.za)

The Fairway Spa is situated at the five star The Fairway Hotel & Golf Resort on the Randpark Golf Course and Chicama Country Spa is situated at Glenburn Lodge, Muldersdrift. Both spas form part of the Guvon Hotels & Spas group.

Please note that the child needs to be accompanied by an adult who also needs to book a treatment. Little princesses enjoying Spa pamper parties must be accompanied by an adult for supervision.
