

SAVE FORA PROPERTY FUND REACHES R630 000 FOR A NEW HOME FOR BY XMAS FOR 800 DOGS AND CATS

FRIENDS OF RESCUED ANIMALS (FORA) URGENTLY NEEDS R3.5M

The Save FORA Property Fund has reached a remarkable R500 000 after two weeks in their desperate bid to raise R3.5m and find a new property by Christmas for 600 dogs and 200 cats.

"We express our deep gratitude for this phenomenal support from animal lovers for the work we do and will continue to do when we reach our target R3.5m and move to a new home," says Breggie van Loggenberg, FORA manager.

Pro-life animal rescue centre FRIENDS OF RESCUED ANIMALS (FORA) sent 1000 balloons heavenwards with a mass prayer led by Rev Kevin de Beer, raising R35 000 and homing 16 dogs on their 3 October Open Day.

"We will not rest until we have secured a new property," said Breggie.

In the six years of its existence, FORA has homed over 6 000 animals and sterilised over 10 000, helping thousands of animals and animal-lovers across Gauteng and as far afield as Pretoria, Durban and Cape Town, becoming known for their willingness to go the extra mile and care for any needy creature until a good home can be found.
